Dear Future Hoover Green Team Member:

The City of Hoover was recently named *The Best Place to Live in Alabama* by 24/7 Wall Street. In celebration of the distinction, the city launched a “Love to Live in Hoover” campaign, a campaign inspired by the Hoover community and designed to showcase many of Hoover’s favorite places. As community members, we recognize the countless reasons to love to live, work, shop, and play in Hoover. Through commitment and strong community involvement, we will continue to shine as an incredible place to call home.

The mission of the Hoover Beautification Board is to inspire and empower Hoover citizens to take greater responsibility for their community. As part of their commitment to this mission, the Beautification Board is initiating the **Hoover Green Team** program. The core goal of the Green Team program is to organize and mobilize volunteers throughout Hoover that are committed to keeping our city and its streets, schools, and parks litter free. Working together with Hoover Beautification Board members, we look forward to connecting active Green Teams with our neighborhoods, parks, and schools, and we are excited about the impact they will make.

If you are interested in becoming a Hoover Green Team member or if you are interested in developing and leading a Team, please consider visiting the Hoover Beautification Board website at <https://hooveralabama.gov/160/Beautification-Board>, completing required forms and connecting with a Beautification Board representative. As Teams develop and work begins, we will spotlight events and people through our social media as a means of inspiring others.

Thank you for your commitment to this incredible effort and for your love for our city. We look forward to working together to keep Hoover it’s best for generations to come.

Best,
